To Whom It May Concern:

Phillips County's courthouse is undergoing historic restoration work. The courthouse was built in 1921. The building is filled with detailed plaster work and stenciling throughout. It has had water damage as well as wear and tear over the years.

Mr. Hamza Alrubaiti along with an assistant did the plaster repair work on the courthouse. It was amazing to see the transformation of the courthouse in such a short time. The work they performed was very detailed and precise. The plaster work will be something that we will enjoy for years to come.

Sincerely,

BOARD OF COUNTY COMMISSIONERS
